

## People Work

Since it has been determined that Mr. Smith is in need of training, an ITA and Supportive Services Accounts are setup. Mr. Smith has stated he shares the car with his spouse and will need bus tickets to attend upgrade.

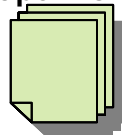

The case manager adds the service to the client record so funds can be obligated toward the Supportive Services Account.

The case manager enters the cost of the bus pass and applies the cost to the Supportive Services Account. A voucher is printed, all appropriate signatures attained and Mr. Smith is given a voucher to purchase a bus pass.
